

RESTRICTED  
TECHNICAL SPECIFICATIONS OF POWER SUPPLY MODULE  
COMMANDER BN FLEET

Ser	Particulars	Description																																																						
1.	Name of Item	EVGA 650 GQ Power Supply Module																																																						
2.	Quantity	01 (One)																																																						
3.	Brand	EVGA																																																						
4.	Model	100-N1-0650-L1 (650GQ )																																																						
5.	Part No	210-GQ-0650																																																						
6.	Serial No	1703160618809911																																																						
7.	Technical Parameters	<table border="1"> <tr> <td>AC Input</td> <td colspan="5">100-240 VAC, 10A, 50-60 Hz.</td> </tr> <tr> <td>DC Output</td> <td>+5V</td> <td>+3.3V</td> <td>+12V</td> <td>-12V</td> <td>+5Vsb</td> </tr> <tr> <td>Max Output, A</td> <td>24A</td> <td>24A</td> <td>54A</td> <td>0.5A</td> <td>3.0A</td> </tr> <tr> <td>Combined, W</td> <td colspan="2">120W</td> <td>648W</td> <td>6W</td> <td>15W</td> </tr> <tr> <td>Output Power, P<sub>cont</sub></td> <td colspan="5">650W</td> </tr> <tr> <td>Operating Temperature</td> <td colspan="5">0 to 50 °C</td> </tr> <tr> <td>Eco Mode</td> <td colspan="5">Yes</td> </tr> <tr> <td>Other characteristics</td> <td colspan="5">ATX Cable, EPS Cable, PCIE Cable, SATA Cable, 4-pin Cable, AC Cable</td> </tr> <tr> <td>Size</td> <td colspan="5">85mm(H) x 150mm (W) x 165mm (L)</td> </tr> </table>	AC Input	100-240 VAC, 10A, 50-60 Hz.					DC Output	+5V	+3.3V	+12V	-12V	+5Vsb	Max Output, A	24A	24A	54A	0.5A	3.0A	Combined, W	120W		648W	6W	15W	Output Power, P <sub>cont</sub>	650W					Operating Temperature	0 to 50 °C					Eco Mode	Yes					Other characteristics	ATX Cable, EPS Cable, PCIE Cable, SATA Cable, 4-pin Cable, AC Cable					Size	85mm(H) x 150mm (W) x 165mm (L)				
AC Input	100-240 VAC, 10A, 50-60 Hz.																																																							
DC Output	+5V	+3.3V	+12V	-12V	+5Vsb																																																			
Max Output, A	24A	24A	54A	0.5A	3.0A																																																			
Combined, W	120W		648W	6W	15W																																																			
Output Power, P <sub>cont</sub>	650W																																																							
Operating Temperature	0 to 50 °C																																																							
Eco Mode	Yes																																																							
Other characteristics	ATX Cable, EPS Cable, PCIE Cable, SATA Cable, 4-pin Cable, AC Cable																																																							
Size	85mm(H) x 150mm (W) x 165mm (L)																																																							
8.	Name of Main Equipment	Auxiliary Vital Console.																																																						
9.	Country of Origin (Main Equipment)	USA, Canada, Japan or any EU Countries.																																																						
10.	Country of Manufacturer	USA, Canada, Japan or any EU Countries.																																																						
11.	Year of Manufacture	2022 or later.																																																						
12.	Manufacturer Name and Address (Main Equipment)	Tecnobit, Spain.																																																						
13.	Source of Supply	USA, Canada, Japan or any EU Countries.																																																						
14.	Port of Shipment	To be mentioned.																																																						
15.	Supplier/ Local Agent	To be mentioned.																																																						
16.	Certificate and Documentation of Authentication	<ul style="list-style-type: none"> <li>a. OEM Certificate</li> <li>b. Authorized Distributor Certificate.</li> <li>c. Authenticity and Genuineness Certificate.</li> <li>d. Warranty Certificate.</li> </ul>																																																						
17.	Packing/ Labeling	To be packed/ labeled for international shipping.																																																						
18.	Warranty	At least 12 months from the date of acceptance.																																																						
19.	Installation/Compatibility/ Interfacing	Item to be installed by supplier (if applicable).																																																						
20.	Site Visit	If required.																																																						
21.	Picture
