

FOGGER MACHINE SPECIFICATION

| | |
|------------------------|----------------------------------|
| Model | Best Fogger BF-150 |
| Type | Thermal aerosol |
| Starting method | Automatic |
| Power supply | DC 12V : Rechargeable battery |
| Size (W x L x H)mm | 230x1350x340 |
| Weight | 9kg |
| Gasoline tank capacity | 1.8 liter |
| Gasoline consumption | 1.5 liter/h |
| Solution tank capacity | 8 liter |
| Solution output | 12-15 minutes using (40 liter/h) |
| Solution tank material | Stainless steel 304 |
| Cooling Method | Double air cooling |
