

SPECIFICATION - OF BELT & WEIGHT FOR DIVING

1.	Name of item	belt weight (diving)	
2.	Purpose	to be used to overcome the positive buoyancy of divers	
3.	Quantity	06 (six) in no 15 (Fifteen) in nos. 26	
4.	Country of Origin	USA/UK/EU/Australia/Canada/South Korea Countries	
5.	County of manufacture	USA/UK/EU/Australia/Canada/South Korea Countries	
6.	Brand/Make/Model	To be mentioned.	
7.	Year of Manufacturer	2024 or later	
8.	weight	01(one) kg (belt consist of 4 lead and each lead should be 01 kg)	
9.	name and address of manufacture	to be mentioned	
10.	technical specification	a	It must have a single pull stainless steel quick release buckle, easily operated by either hand
		b	weight belt is to be made of a rot and mildew resistant fabric such as nylon webbing
		c	It must have a sufficient length to fitted with diver
		d	Weight should have smooth edges
		e	each belt must have 4 in no weight
		f	Weight is to be made of lead
		g	weight: 01 kg (each lead)
11.	Warranty	At least 02 year from the Acceptance date by BN	
12.	Certificate	Following certificate are to be provided with the offer	
		a	Certificate from Lloyds or any equivalent international recognized classification authority regarding standard of the item is to be provided
		b	All items will be brand new and also to be supplied from the current production
13.	certificate/Document of Authentication	The local supplier must provided following certificate(s)/ document(s) with the offer / quotation of items as regards to the genuinity of source of items in order to establish chain of links from the original source to supply items	
		a	One certificate/ document by the manufacturer in favour of the supplier (in case of manufacturer as direct source)
		b	Two certificate/documents one by the manufacturer to authorized agent and other by the authorized agent to supplier(in case of authorized agent as immediate source
		c	third one by the sub-agent to supplier(in case sub- agent as immediate source)
14.	Delivery time	Within 180 days from the date of issuing purchase order	
15.	Packing	Packing Required as per manufacturer	
16.	Port of shipment	To be mentioned	
17.	Acceptance	acceptance by user	
18.	Inspection	CINS/ACINS will inspect the items	
19.	Quality	Items are to be supplied exactly as per approved contract specification

SPECIFICATION - OF DEPTH GAUGE (DIVING)

1.	Name of item	Depth gauge (diving) (Eight)						
2.	Quantity	03 08 (six) in no 06 (THREE) 08 (SIX) in nos 26						
3.	Purpose	to be provided a direct reading of depth in feet and meter of sea water						
4.	Technical Parameter	<p>a. Depth gauge to be oil-filled with brusher tube mechanism</p> <p>b. It is plastic capsule with temperature compensation and luminous dial</p> <p>c. It must have rubber housing with self tensioning strop</p> <p>d. It must have length 0-80 meters with maximum depth indicator</p> <p>e. it should have anatomic gauge cover</p>						
5.	Country of Origin	USA/UK/EU/Australia/Canada/South Korea Countries						
6.	County of manufacture	USA/UK/EU/Australia/Canada/South Korea Countries						
7.	Brand/Make/Model	To be mentioned.						
8.	Year of Manufacturer	2024 or later						
9.	weight	To be mentioned						
10.	Work Certificate	Gauge depth under water diving is to be delivered with a work certificate stating that the items have been manufactured from new and unused material and fulfill all quality standard according to ISO 9001/2						
11.	certificate/Document of Authentication	<p>The local supplier must provided following certificate(s)/ document(s) with the offer / quotation of items as regards to the genuinity of source of items in order to establish chain of links from the original source to supply items</p> <table border="1" style="width: 100%;"> <tr> <td>a</td> <td>One certificate/ document by the manufacturer in favour of the supplier (in case of manufacturer as direct source)</td> </tr> <tr> <td>b</td> <td>Two certificate/documents one by the manufacturer to authorized agent and other by the authorized agent to supplier(in case of authorized agent as immediate source</td> </tr> <tr> <td>c</td> <td>third one by the sub-agent to supplier(in case sub- agent as immediate source)</td> </tr> </table>	a	One certificate/ document by the manufacturer in favour of the supplier (in case of manufacturer as direct source)	b	Two certificate/documents one by the manufacturer to authorized agent and other by the authorized agent to supplier(in case of authorized agent as immediate source	c	third one by the sub-agent to supplier(in case sub- agent as immediate source)
a	One certificate/ document by the manufacturer in favour of the supplier (in case of manufacturer as direct source)							
b	Two certificate/documents one by the manufacturer to authorized agent and other by the authorized agent to supplier(in case of authorized agent as immediate source							
c	third one by the sub-agent to supplier(in case sub- agent as immediate source)							
12.	Packing	Packing Required as per manufacturer						
13.	Port of shipment	To be mentioned						
14.	Certificate and Document of Authentication	Warranty certificate required						
15.	Warranty	01(one) Year from received date						
16.	Test Trial and acceptance	Test Trial Required by user						
17.	Manual	a set of original operation and maintenance manual in English to be provided with the items free of cost						
18.	Inspection	CINS/ACINS will inspect the items						
19.	Quality	Items are to be supplied exactly as per approved contract specification						
20.	Self life	05 (five) years						
21.	Delivery time	Within 180 days from the date of signing the contract

SPECIFICATION FOR PRESSUR GAUGE

1.	Name of item	Portable Pressure Gauge for Scuba Diving with 300 BAR Accuracy
2.	Quantity	01 (One) in no 06 (Six) in nos AS
3.	Purpose	Depth Scale and Luminescent Gauge Face, allows for easier reading at a glance.
4.	Technical Parameter	<p>a. Item Type: Pressure Pressure Gauge for Scuba Diving with 300BAR Accuracy</p> <p>b. Display: Analog- Luminous dial with color-coded zones Green = Safe pressure (200–300 bar) Yellow = Caution (50–100 bar) Red = Reserve/critical (<50 bar)</p> <p>c. Build & Materials: Body Material: Chrome-plated brass or stainless steel Lens: Tempered glass or polycarbonate (scratch-resistant) Case: Shock-resistant, corrosion-resistant</p> <p>d. Pressure Range: Scale Range- Typical scuba tanks: 0 – 350 bar (metric) or 0 – 5000 psi (imperial) Working pressure: 200 – 300 bar (depending on cylinder type) Overpressure Limit: 150% of full scale without damage</p> <p>e. Accuracy & Resolution: Accuracy- ±2% of full scale (ANSI/EN standard for pressure gauges) Resolution: 10 bar increments (metric) or 200 psi increments (imperial)</p> <p>f. Red zone between 50 and 0 bar and 10 bar increments</p> <p>g. Maximum work pressure 300 bar</p> <p>h. Overpressure valve on the rear side</p> <p>The sealing system has a type of overpressure valve that causes the plastic face to spring out of the housing without chipping</p>
5.	Country of Origin	USA/UK or EU origin
6.	County of manufacture	USA/UK or EU origin
7.	Brand/Make/Model	To be mentioned
8.	Year of Manufacturer	2024 or later
9.	Source of supply	To be mentioned
10.	Port of shipment	To be mentioned
11.	Manufacturer name and Address	To be mentioned
12.	Supplier/Local Agent	To be mentioned
13.	Certificate and Document of Authentication	Required warranty certificate
14.	Packing	To be mentioned
15.	Warranty	01 Year
16.	Installation	Not required
17.	Test Trial and acceptance	Test Trial Required by user
18.	Installation by supplier	Not required
19.	Site visit (Focal point)	-
20.	Training	Not required
21.	Accessories	Not required
22.	Picture	

SPECIFICATION FOR HANDS GLOVES(DIVING)

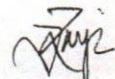

1.	Name of item	Hands gloves (diving)
2.	Quantity	06 (six) pair 33 (Thirty three) in nos 2L
3.	Purpose	To protect the diver's foot from cold, pollution and mechanical injury and dangerous marine animals.
4.	Technical Parameter	a. Color: Black. b. Weight: To be mentioned. c. Material: neoprene d. Thickness: 3 - 5 mm (approx). e. Size: large and extra size).
5.	Country of Origin	USA/UK/ITALY
6.	County of manufacture	USA/UK/ITALY
7.	Brand/Make/Model	Phantom Aquatics/ scuba pro
8.	Year of Manufacturer	2024 or later
9.	Source of supply	To be mentioned
10.	Port of shipment	To be mentioned
11.	Manufacturer name and Address	To be mentioned
12.	Supplier/Local Agent	To be mentioned
13.	Certificate and Document of Authentication	Warranty certificate required
14.	Packing	Packing Required as per manufacturer
15.	Warranty	01 Year
16.	Installation	Not required
17.	Test Trial and acceptance	Test Trial Required by user
18.	Installation by supplier	Not required
19.	Site visit(Focal point)	-
20.	Training	Not required
21.	Accessories	Repairs kit to be provided (Glue, Patching items etc)

INDIAN AIR FORCE

SPECIFICATION FOR UNDER WATER INDICATING LAMP

1.	Name of item	Indicating Lamp
2.	Quantity	06 (Six) in no = 12 (Twelve) in nos to
3.	Purpose	To indicate diver's position at night and all for safety measured to rescue lost divers.
4.	Technical Parameter	<ul style="list-style-type: none"> a. Maximum operating depth: 50 meters or higher b. Water resistant : 50 meter depth or higher c. Lens materials: Lexan d. Flash rate: Approx 50 flashes /min. e. Operating time Aprox. 12 hours f. Switch: Magnetic (reed contact) through case g. Battery: (As per requirement of the device) h. To be attached with Velcro strap to fit to divers arm.
5.	Country of Origin	To be mentioned
6.	County of manufacture	To be mentioned
7.	Brand/Make/Model	UGOE, DF04 or To be mentioned
8.	Year of Manufacturer	2024 or later
9.	Source of supply	To be mentioned
10.	Port of shipment	To be mentioned
11.	Manufacturer name and	To be mentioned
12.	Supplier/Local Agent	To be mentioned
13.	Certificate and Document of Authentication	Warranty certificate required
14.	Packing	Packing Required as per manufacturer
15.	Warranty	01 Year
16.	Installation	Not required
17.	Test Trial and acceptance	Test Trial Required by user
18.	Installation by supplier	Not required
19.	Site visit (Focal point)	-
20.	Training	Not required
21.	Accessories	2X18650 Rechargeable Li-ion Battery, Charger and 2pcs Spare O ring included.

SPECIFICATION FOR TOOLS BAG DIVING

1.	Name of item	Tools Bag, Diving set standard
2.	Quantity	01(One) in no
3.	Purpose	To be used diving equipment maintenance
4.	Technical Parameter:	<p>a. Compact & Portable: Sized at 12.5 inches (320 mm), it's ideal for carrying hand tools, craft supplies, or specialty kits.</p> <p>b. Durable Plastic: Constructed from hard plastic, ensuring longevity and light weight.</p> <p>c. High Visibility: The translucent lid compartments allow for easy viewing of small parts like screws, bits, or fasteners without opening the box.</p> <p>d. Triple Locking System: Features one large central latch and two smaller side latches for a secure seal.</p> <p>e. Distinctive Color: The Red, Blue, and Yellow design makes it easy to spot.</p>
5.	Country of Origin	To be mentioned
6.	County of manufacture	To be mentioned
7.	Brand/Make/Model	To be mentioned
8.	Year of Manufacturer	2025 or later
9.	Source of supply	To be mentioned
10.	Port of shipment	To be mentioned
11.	Manufacturer name and Address	To be mentioned
12.	Supplier/Local Agent	To be mentioned
13.	Certificate and Document of Authentication	Warranty certificate and maintenance/operating manual required
14.	Packing	Packing Required as per manufacturer
15.	Warranty	-
16.	Installation	Not required
17.	Test Trial and acceptance	-
18.	Installation by supplier	Not required
